Frankel's fastest son #TheFrankelFactor

“Without Parole's characteristics... of a powerful action and a sustained surge have **Frankel's DNA** written all over it.”

Timeform

“It says something about his stock's **levelheadedness** and **athleticism** that they are able to cope with the twists and turns of the notoriously idiosyncratic course (Epsom)... Many of his starters appear to possess a pleasing blend of **tactical speed** and stamina, travelling easily and **running down rivals** in the closing stages of races. They seem **enthusiastic** and **uncomplicated**...How nice it is to write about the prowess and potential of a first-season sire who has a **'proper' pedigree.**”
